

# PAINT THE TOWN PINK WITH US

Show your support of PROTECTING SENIORS with this fun project that is sure to Spread Joy & Love in our Community!

A SENIOR COMMUNITY  
**WITHOUT WALLS**

*Homecare By Design wants to bring more awareness to our senior population and show our support that we are all working as a community to protect them and each other!*

---

**Here is how it works:** We are asking people to decorate their doors with a *Pink* backdrop to show their support!

**Requirements:** The theme must be *Spring!* Feel free to get creative with your door, layer on wreaths, flowers, bows, etc. Enjoy the process and show seniors in our community you are Proudly Protecting Them! Share a photo of your door by posting to FB using the provided hashtags or email your photo to [pinkdoor@homecarebydesign.com](mailto:pinkdoor@homecarebydesign.com) (All privacy will be strictly respected).
