

'NEW AGING PARADIGM' CONFERENCE

BRAIN HEALTH: NUTRITION, EXERCISE, & MORE

TUESDAY, MAY 15, 10AM - 2PM

917 SAGAMORE PKWY W, WEST LAFAYETTE | RSVP AT 765.464.8080

Learn about health of the aging brain. Free & open to the public! Please RSVP if you would like catered lunch with us. Event hosted in Homecare By Design's "Senior Community Without Walls" Clubhouse. Our speakers include:

TRACI GOUDY, RN

President & Founder of Homecare By Design with over 20 years of senior care experience. Her passion led her to create the "Senior Community Without Walls" concept.

miracles fitness

DAN RITCHIE, PhD

His experience in the fitness industry & passion for serving special populations are what helped build Miracles Fitness. He was named Personal Trainer of the Year in 2014.

GENEVIEVE KRUZICK RD, CD

As a Purdue & Ball State University educated clinical dietitian, she has helped others cope with diabetes, cardiovascular health, and other medical issues through nutrition education.

MOLLY DODT, NP

Having graduated with honors, she now offers her passion and knowledge to seniors as a Nurse Practitioner in Gerontology. She has also spent many years helping others meet their fitness goals.

A SPECIAL "THANK YOU" TO OUR LOCAL CONFERENCE SPONSORS!
