Bingo for a Cause:

Join us twice a month to support a local organization! Every Month Homecare By Design will choose a different local organization to donate partial proceeds to. Last month we raised over \$100 for the YWCA and this month we will be donating to a piece of West Lafayette History- The Caretaker's Cottage at Grandview Cemetery. For more info on this lost piece of history visit CHiPs online (Community Historic Project Support) and help bring some history back to West Lafayette.

Book Club: Homecare By Design's book club is always looking for new members to join – Friday, October 18th we will be introducing our second novel "The Underground Railroad" By Colson Whitehead. We will also be brainstorming for our third novel – if you missed the first one it's not to late. *Open to the public.*

Full house at our recent
